Cooba Capers
Year 6 Transition Day

On Wednesday October 28th our Year 6 students will be having another morning transition at Monaro High School. This day students will need to catch the school bus into Monaro High. (Students please remember your behaviour and manners this time!)
They will join with students from Cooma North for two high school lessons and stay afterwards for a break. Staff from the High School will return our students to Bredbo as they did last time.
Just a reminder that a parent information evening will be held on Wednesday October 21st at the high school from 5:30pm until 6:30pm.
Student orientation day will be held on December 8th.

Tadpoles for the Classroom

The school now has a Tadpole Kit in the classroom. This kit has been loaned to us by the Ginnindera Catchment Group. Having the opportunity to watch the tadpoles metamorphose into frogs is a fascinating and rewarding activity for the children. They will also complete diaries outlining the changes and when they occur. Our tiny Tadpoles are only a few millimetres long at the moment…. Please feel free to come into the classroom and have a look.
Snowy River March Re-enactment

Last Tuesday our students participated in the first stage of the Snowy River March Re-enactment that is taking place. The students meet with other members of the group at the Bredbo Inn and were able to sing a couple of songs from that era.

On Friday November 6th at 4:30pm a March will be held in Bredbo. Marchers are asked to meet at the southern end of Walker Street for the march to the hall.

Our students are also being asked to participate in this and also sing again at the hall.

I will send home more information about this closer to the time—but in the meantime just make a note of the date and time.
