Fantastic sale

I would like to take this opportunity to mention what a fantastic garage and car boot sale we had on Saturday. We had eight additional stall holders come and support the event. The school stall sold a lot of items and combined with the proceeds from our BBQ we made about $500 profit.

A lot of people expressed the opinion that this was a wonderful community activity and should be held on an annual or even on a twice a year basis. We are seriously considering holding a similar event every year.

We would like to extend a big thanks to young Riley who turned up at about 7am to help us out. Riley gave us a few hours of his time throughout the morning and this was greatly appreciated.

Thanks also to our parents who had stall or visited and purchased items and supported this inaugural event.

Permission notes

Recently I sent home permission notes to attend the Nimmitabel Fun Day. A number of these are still outstanding. Please return ASAP. I sent home a note concerning participation in the Snowy River March this Friday afternoon. A number of these still need to be returned also.

Snowy River March

The Snowy River March re-enactment will be passing through Bredbo on Friday. Students intending to march need to meet on the end of Walker Street (outside Mrs Lawler’s house) prior to 4:30pm on Friday November 6th.
Acorns are sprouting

Some time ago the Williamson Family gave the school a jar of acorns and instructions on how to get them to shoot.
We are pleased to announce that about 90% of the tree seeds have sprouted. This week the students will plant them in pots until they become established and can be transplanted into our school yard.
Thanks Louise.

P and C Meeting
Thursday 5th
@ 6:30pm
All welcome!

Please let Danielle know if you will be attending so we know if we can make a quorum. Phone 0415123198
Tadpole growth.....

Our Tadpoles are in their fourth week at school and the growth we have seen is amazing. Some of them are now about 3cm long and have developed nubs at their base where their legs will form. They are all breathing through their lungs now, as opposed to their gills. Having the tadpoles in our classroom and having the students observe and keep a weekly diary has been a highly educational opportunity for the students.

Nimmitabel Fun Day

The theme for the Nimmitabel Fun Day, which will be held on Thursday November 12th will be Emergency Services. There will be the NSW Police, Fire and Rescue NSW, NSW SES and Surf Lifesaving NSW (basic first aid). There will be four rotational groups throughout the day. The P and C will be providing a meal deal option which includes a sausage sandwich, juice box and a treat for $5. There will also be other foods available on the day. No pre-ordering is necessary—just bring your money on the day and pay when you purchase.
