Remembrance Day

Last Wednesday we talked about Remembrance Day and what it means. We made poppies and picked rosemary from our plants in the driveway to wear with them.

We learned about the meaning of the Ode and stood for two minutes silence whilst reflecting on how fortunate we are to have the lives we have, thanks to our ancestors and the soldiers still fighting today.
Tadpole update!

Our little friends are getting huge! Future leg bumps are getting bigger! They are quite transparent and we can actually see their hearts beating! Their bodies are really becoming “froglike”.
Nimmitabel fun day!

Our day at Nimmitabel was quite interesting with visits from the Police, SES and Fire brigade. Much fun was had climbing on the skidoo and police boat as well as dressing up in SES outfits. The Firies rescued many people and taught us how to help give them directions in an emergency.
Swimming Lessons

Swimming lessons this term will be once again held in Cooma with Michelle’s Swimming School. Unfortunately she is only able to offer us an eight day program. Lessons will commence on Monday November 30th and continue through until December 11th (excluding Thursdays). Travel will be by Snowliner Coaches. Travel costs not including GST are $2400. Swimming Lessons are $90 per child.

This makes a total of $223.30 per child for the program! LUCKILY..... The school applied for a sporting grant and was successful in receiving $1800 to go toward travel expenses. AND ALSO LUCKILY the P and C have agreed to contribute $1500 toward lesson costs. This leaves parents needing to pay $40 per student. This is an excellent discount for parents for this valuable program.... It sure beats $233 each. A permission note for swimming lessons will be sent home shortly.
Band experience for students

On Wednesday November 18th our students will be walking to the Bredbo Community Hall to listen to a combined Year 5-6 School Band from Mumbulla School. This group are making their inaugural tour of the area and we are lucky to have been given the opportunity to listen to another school band—one much larger than ours. The visit will last about 45 minutes and commence at 1:30pm. All parents and community members are welcome to attend and also enjoy this experience.
