Mumbulla School Band

On Wednesday 18th November we walked to Bredbo Community Hall to watch the Mumbulla school band perform. The band consisted of a string section with violins, violas and cellos as well as a concert band complete with trumpets, a trombone, clarinets, saxophone, flutes and percussion. We enjoyed ourselves immensely and hope to see them again next year.
TADPOLES!

WE HAVE LEGS!!! Yes, it’s official, several of our tiny amphibian friends have legs! They will now grow quite rapidly and their tails will gradually be absorbed into their bodies. Soon little froglets will be climbing out of the water onto the gravel. How exciting!
Parent Questionnaire

It is that time of the year again that we ask you for your input so we can effectively plan for the forthcoming year. I have attached a questionnaire for each family to complete and return to school as soon as possible. It would be wonderful if we could have 100% returned this year as it really helps with monitoring and assessing our programs and practices. This is your children’s education.

Thanking you in anticipation.
