End of year
Preparations

With only two weeks left before presentation night, the staff and students are busy singing, dancing, giggling, painting, sewing, gathering, swimming and just generally running about like chooks with our heads cut off! It’s a very exciting time but also quite busy. Lots of early nights would be very beneficial!

Notes

- Could parents please return the Questionnaires sent home recently.
TADPOLES/FROGLETs!

Our tadpoles are developing very quickly into froglets! One already has both front and back legs! It won’t be long now!!! Watch this space!
Thank you to those who have already brought in their costumes! We appreciate your help! If you’re having difficulty finding the items needed at home, perhaps you could borrow them from a friend or pop in to the Salvation Army or similar op shop and you should have no problem. They don’t have to be new or fancy, it’s only costuming! Thanks!
